Thank You!

We would like to say a huge "thanks" to all of you who helped out with CHAOS 2010! Each act of service never goes unnoticed to our God! CHAOS was a huge success -- 77 children, 26 teens, & most children had families that attended. WOW! We pray & saw evidence with our own eyes that those who came from the outside of our church family were welcomed & loved by all of you. Thanks so much! May God continue to bless each of you! Love, Melanie, Levi & Doug

Welcome!

The fireworks bursting in the sky serve as a reminder of our independence as a nation. We gaze upon them with wonder as we "ooh and awe." This morning though, let us look to the cross as a reminder of our *dependance* on Christ. May we gaze upon his face with wonder as we "ooh and awe" a God who's love burns for us brighter than any fireworks. Let us praise Him as we await his ultimate finale.

CROSS + WALK

DOUGLAS CRUM

Sweetwater Outreach Week brought forth many blessing. The most obvious, of course, was the fact that two houses, 10 yards, and 20 handicap ramps got a much needed face lift. It also was great to see how our simple labor turned into a wonderful blessing for the homeowners. But I believe the greatest blessing was how God opened our eyes to see His glory.

There are several things that go into planning for this event, but still so much of it was in God's hands. In particular, the weather! For one week we defied the town of Sweetwater and prayed for the rain to cease so that we could serve Him. So the battle was waged. One group of folks praying for rain, another group of folks praying for no rain. Surely there had to be a loser. But God, in His great splendor answered both our prayers, and did so in awe-inspiring fashion. When we headed out to work, the rain stopped. When we came inside to eat, it started. Like a timed sprinkler system, God moved the clouds into position, and held back the rain until just the right moment.

I honestly believe that this happened because our sincere prayer the entire week was that no matter what happened, He might be glorified. And that is exactly what happened. I have been a part of 14 work weeks, but I have never been a part of one so amazing and so stress free. Why? It certainly wasn't because the work was easy (in fact the house on Bowie might have been the most labor intensive house of the over 150 I've worked with). It was stress-free because we simply asked God to take control . . . and boy did He ever. What would happen if you gave God control of your week? Give it a try . . . you'll be amazed, and He will be glorified!

Our youngens have just returned from Camp Blue Haven! What a blessed week! Our youth and several from our brothers and sisters in Roscoe have just got back from a week of fellowship with one another. God did great things in the lives of our kids and we appreciate all the prayers for safety and that God will do wonderful things. Although our kids are tired I'm sure that they have been blessed and given more energy by our Lord to spread the Gospel the best way they know how. Random Acts of Kindness (RAK) are tonight. Be here about 5:15 to help set up and we will also need a few to stay behind to help clean up. It's going to be a great night so be prepared.

PARENTS OF MIDDLE SCHOOL KIDS: We leave in exactly one week for our Middle School Mission Trip to Amarillo. This will be a wonderful opportunity to teach these kids about Christian service. I've heard wonderful things about this trip in the past and can't wait to see what our middle school kids are capable of with the Lord working through them. We REALLY would love for all middle school kids to go. We still need kids to come so that we can enjoy each other and serve others in Christ's name. It's going to be a blast! There will be a meeting about the trip Wednesday night at 6:00 if you can make it. **PARENTS:** Sign your kids up without them knowing then kick them out for a week. My parents did and look how I turned out. We really would love to have you all. The cost of the trip will be \$45.

Ben's Pearl of Wisdom - Remember, playing on a teeter-totter is only fun if there's 2 people. We should always be looking for someone to share our joy in Jesus Christ with. We aren't living for Jesus if we aren't telling someone about Him. **-Ben "The Intern" Hunt**
